CALIFORNIA PROPOSITION 65 - CHEMICAL PRESENCE WARNING

Dear Valued Customer:

California's Proposition 65, officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986, states that no person in the course of doing business shall knowingly and intentionally expose an individual to potentially hazardous chemicals without first providing a clear and reasonable warning.

As a manufacturer, Roseburg Forest Products ("Roseburg") hereby informs you that wood products may expose individuals to chemicals such as methanol and wood dust, both natural components of wood. Your recent wood product purchases from Roseburg include: *Raw Board and TFL Particleboard*. Any company that offers such products for sale in California or manufacturers products in California should display the attached warning sign "either at the point of sale or display of the wood products in a manner likely to be seen by the purchaser. The notice or sign must be no smaller than 8 ½ by 11 inches and printed in no smaller than 20-point type."

WARNING

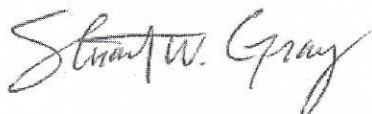

Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the State of California to cause cancer. This product (excluding Lumber) can expose you to chemicals including methanol, which is known to the State of California to cause birth defects or other reproductive harm. Avoid inhaling dust generated from wood products or use a dust mask or other safeguards for personal protection. For more information, go to www.P65Warnings.ca.gov

Please confirm your receipt of this notice to post warning signs as described above, or, as a producer or distributor, that you will pass this information along to the California retailers or customers that you supply with wood products. Please submit your confirmation via our online portal at www.roseburg.com/prop65 with your name and company account number: 11005. If you do not have authority within your company to submit this confirmation, please forward this letter to the appropriate individual in your company.

Thank you for your attention to this important requirement, and please contact us at Roseburg with any questions about our products.

Kind regards,

Stuart W. Gray
